

Equipment Rentals

Written by Administrator

AR Productions, located in beautiful Easthampton, Massachusetts, offers a variety of [audio](#) and [lighting](#)

rental solutions. We also rent lighting kits for smaller Do It Yourself tasks. Our kits have all the equipment needed to accomplish their specific tasks. Complete DJ booths, sound activated dance floor lighting, uplighting and main sound are just a few examples. Our equipment is also available to rent 'All A Carte' for specific needs. We offer free delivery, set up and break down on any package for events up to 5 hours long in the Pioneer Valley.
