

AR Productions is a fully insured, full service event production company, we like to think of ourselves as a "One Stop Shop." Our focus is personable service with the right equipment at the right price. From music festivals to corporate events, conferences, holiday celebrations, award ceremonies and so on, we handle it all.

Our team of seasoned entertainment professionals are eager to turn your event and party ideas into a reality and we will work closely with you from your initial vision to delivery and production

Years of focus on quality event production has evolved AR Productions into a team of like minded, event professionals providing unique artistic mobile performances and installed designs. We offer Event Production and Management, Lighting, Audio, Video and equipment rentals

Call us at 1-413-275-8882 and we will be happy to help you get started with your next event.
